EQUIPMENT DETAILS

Please specify type of equipment to be connected for water supply, drainage and compressed air.

RAISED FLOOR

Do you have a raised floor?

YES What is the space available under the raised floor?

NO

ADDITIONAL REQUIREMENTS

A stand plan indicating the location for the water, drainage or compressed air.

TERMS AND CONDITIONS

Due to the location of the water and drainage pits, access may not be available to water, drainage and compressed air at all stands. Due to safety requirements, access to pits in aisles is not permitted.

It is the responsibility of the exhibitor to provide all labour and materials required for the connection of any display equipment and reticulation or water services within the stand area's nearest service pit, as nominated by the venue. All services must be installed by qualified personnel and comply with all relevant statutory acts and regulations.

ICC Sydney takes no responsibility for pinched hoses restricting flow when it is beyond the venue's reasonable control. All prices are inclusive of access and usage fees. Unauthorised connections will be disconnected.

All request forms must be received no less than 14 days prior to the move in of the event. Late fees may apply to services requested outside this time.
