

Time	Presentations
8:30	Welcome from Prof Joachim Mayer
8:45	A/Prof Martin Saunders to present the AMMS Awards and announce the next Australian Conference
9:00	Prof Joachim Mayer and Dr Kazuo Furuya to present the John Cowley Medal (Diffraction Physics and Microscopy) to Prof Archie Howie
9:05	Special Lecture: Songlines of a diffractionist <b>Prof Archie Howie</b>
9:30	Prof Joachim Mayer and Dr Kazuo Furuya are presenting the Vernon Cosslett Medal (New Developments in Optics and Instrumentation) to Dr Christian Colliex and Prof Les J. Allen
9:35	Special Lecture: From Cambridge to Sydney, Forty years of energy loss in Orsay <b>Dr Christian Colliex</b>
10:00	Special Lecture: The quest for quantitative analytical microscopy at atomic resolution <b>Prof Les J. Allen</b>
10:25	<b>Morning tea</b>
11:00	Prof Joachim Mayer and Dr Kazuo Furuya are presenting the Hatsujiro Hashimoto Medal (Applications in Physical Sciences) to Dr Frances Ross and Prof Yuichi Ikuhara
11:05	Special Lecture: <i>To be confirmed</i> <b>Dr Frances Ross</b>
11:30	Special Lecture: Grain Boundary and Surface Dynamics of Deformation, Fracture and Diffusion <b>Prof Yuichi Ikuhara</b>
11:55	Prof Joachim Mayer and Dr Kazuo Furuya presenting the Eduard Kellenberger Medal (Life Sciences)
12:00	Prof Joachim Mayer, Dr Kazuo Furuya are presenting the Eduard Kellenberger Medal to Dr Joachim Frank
12:10	Prof Joachim Mayer, Dr Kazuo Furuya are presenting the Eduard Kellenberger Medal to Prof Richard Henderson (presenting video message)
12:20	Prof Joachim Mayer, Dr Kazuo Furuya are presenting the Eduard Kellenberger Medal to Prof Jacques Dubochet
12:25	Special Lecture: Single-particle cryogenic electron microscopy - a new era of structural biology <b>Joachim Frank</b>
12:50	Prof Simon Ringer and Prof Paul Munroe to present awards for Best Oral Presentation, New Researcher Award, Best Poster Award, People's Choice Award (Oral and Poster Presentations), and Best Invited Speaker Award.
13:05	Congress reflections from the IFSM President - Dr Kazuo Furuya
13:17	Presentation by IMC20 (2022) by the next Congress Chair Prof Simon Ringer
13:30	<b>AMMS 25th Anniversary Celebrations in the Darling Harbour Theatre Level 4 Foyer</b>
